

Key Features

Compatible with FyreLine LHD systems

Zintec and stainless steel variants

Quickly and easily installed

Suitable for general indoor and outdoor use

Complies with BS 5839-1 Section 26.2 Part F

Overview

The distance piece is designed to attached and extend any FyreLine metal clip which may not be close enough to the point of risk. Available in zintec and stainless steel.

Zintec mounting accessories are suitable for general indoor and outdoor use. Stainless steel mounting accessories are suitable for indoor and outdoor use and in environments where the clip may be exposed to harsh chemicals e.g. hydrocarbons or in a caustic environment.
